

Ladies, it's time to get ready for our annual Fall Women's Retreat! The Women's Ministry team has been working hard and are pleased to offer you this opportunity. We are praying that you will grow in your relationship with the Lord, be refreshed and build relationships with your fellow sisters in Christ.

Our retreat theme this year is Grow. We will have several guest presenters, in addition to some of our own FBC ladies, who will teach us about how to be a woman who loves God's Word. They will also share some of their tools and suggestions about how to be rooted and grounded in His Word.

Our worship leader this year is someone many of you know personally or have heard about, Jordyn Osburn. All who know her have been blessed by her musical talents and her heart of worship and praise to the Lord. We are so pleased Jordyn will be leading us in praise and worship again this fall!
