KIDS HOPE

Did you know?

- * Starting, Monday, February 22nd, school will shift from a hybrid to a fully face-to-face instructional model, five days per week. Allegan Online will continue to serve as a virtual option for all grade levels! Pray for teachers, students and parents alike as they all go back to something normal.
- * Kids Hope is alive and well at Pine Trails; the *only* grade school of three that allowed anyone other than staff and students in their building this entire school year! We still have some mentors to connect with new students. *But*, we need YOU! Please read the enclosed insert and talk to Linda.
- * These kids returning to full time need an extra person in their life to help them get used to a “new” normal and get caught up with school work or keep them up to date.

BABY BOTTLE OUTREACH—THANK YOU FBC’ERS!

If you have a baby bottle to return please place it in the basket on the Information Center counter in the lobby or on the table in the basket on the bulletin tables in the auditorium.
