Please join us as we study the book Daniel & Esther by John MacArthur. From the back of the book: *"Many of God's people through the ages have been called to endure times of hardship, loneliness, and suffering. Some, such as Daniel and Esther, were even members of a race carried away to a foreign land that had never heard of the God of Israel. Their lives were not easy, but even in the midst of trials, these men and women discovered that God was with them—and that He was actively leading the events in their lives."*
